RE: Local Negotiations – Have A Say Questionnaire - 2021

We would like to invite you as a member of LHSC RN bargaining unit to give your Bargaining Team your feedback on some issues that we feel may be of importance in this round of negotiations. Your team has met and compiled these questions based on questions, comments, grievances we've received since the last round of bargaining. This is your opportunity to let us know how you feel and to help give us direction on some important work life issues for the nurses at London Health Sciences Centre.

Please follow this link to the survey:
