

The past year has brought many challenges, sacrifices, and heartbreak. These are very strange times for us all. But your dedication to helping others is what makes you who you are. Better days are ahead, we will get through this together. As we prepare to celebrate the Superheroes that you all are, we just want to thank you all and Happy Nurses Week 2021!

We will be distributing Tumblers to your units. Also, there will be four daily draws for \$200 visa cards (Monday May 10th to Friday May 14th) and a grand prize draw of \$ 1000.00 (May 14th). Stay safe!
