LHSC RN Bargaining Unit – Update

1. We would like to announce that Lindsay Carnahan that the Board has appointed as Bargaining Unit President for the LHSC RN Bargaining Unit.
2. Local Elections: A reminder that because the Local is in Administration (as per Policy 23.01), there will be no election this year for the next term, which would run for three years from 2024 to 2026. All representatives will remain in their appointed positions.

You still have the opportunity to be part of the LHSC Executive/Representative. There will be an email sent out shortly to fill the other LHSC RN positions that are vacant. We had a recent change in the number of ward representatives that we can have, so if you believe your unit could benefit from an additional representative, please let us know. All successful applicants can expect to be in their positions for this year and then for the next term as well, running until December 31, 2026.

3. ONA is celebrating its 50th Anniversary (<https://www.ona.org/celebrate50/>) at the Biennial Meeting this year in Toronto. The meeting runs the week of November 6th. The Local is offering an opportunity for members to attend with (MAST) meals, accommodation, salary and travel expenses covered for the three days of the convention. We have attached an Expression of Interest form to this notice. Please complete the form and submit it by: August 31, 2023 to Angie Stott at: local100office@ona.org. If you are selected to attend, you will be accountable to attending and participating fully at the meeting.
